2 weeks before course begins 50% refunded or (if you want) transferred to next course

1 week before course begins no refund, but (if you want) we can transfer you to the next course

We cannot give you a refund if you arrive late or leave early or miss part of the course. Please arrange cancellation insurance before you leave home.

Termination of Accommodation before and after arrival:

Cancellation before arrival: A cancellation fee equivalent to 1 week accommodation will apply for all cancellations received less than 14 days prior to the accommodation start date.

After Arrival for bookings 7 weeks or less: No accommodation refund.

After arrival for bookings 8 weeks and over: students must give notice in writing 4 weeks prior to termination. Students will incur a 20% cancellation fee. Refunds will be given in the form of a credit note.

Student Conduct

We reserve the right to expel students due to misdemeanor or for any form of unacceptable behavior. No refund will be given to those students who are expelled.

We are not liable for any expenses or loss of money incurred by the student as a result of his/her expulsion. The student's expulsion means that from the instance of expulsion, he or she would not be allowed to enter the school's premises, attend any courses or reside in any premises hired or owned by the school and would not be entitled to any other service offered by the school. Prior to his/her expulsion the student would have been given a warning in written form so as to give a chance to the student to adjust his/her behavior.

Medical and Personal Insurance

Visitors to Malta are given free accident and emergency treatment in hospital (from May 2004). However, all students, especially those from countries outside the European Union, should arrange personal insurance covering accidents or longer times in hospital. We strongly advise you to take out adequate insurance for medical costs, accidents, theft, cancellation fees etc. Make sure you have personal, cancellation and travel insurance for your stay in Malta. We cannot accept responsibility for these.

Liability: We do not accept liability for any loss, damage or misadventure you may suffer in the school, accommodation, or elsewhere.

Visas: All fees must be paid before we can send any visa related documents. We will refund all monies except any bank charges and visa processing fee if a visa application is rejected and we receive written evidence at least 7 days before arrival. A cancellation fee which is equivalent to 1 week tuition and 1 week accommodation applies if we receive written evidence less than 7 days before arrival. This term does not apply for students whose visa application is processed by School but is applicable for students who need to apply for visa themselves and we would need to send formal invitation letters to support their visa application. School cannot be held responsible for any decision taken by the Embassy of Malta or by the Immigration Police in respect of visas or visa extensions.

Section 7: COURSE PAYMENT DETAILS

You should make payments in Euro to School. A minimum deposit of 25% form the total fee (including accommodation, visa processing, airport transfers and any other applicable fee if any) should be paid to confirm booking. You can pay either by credit card or by direct bank transfer from your bank to our bank. If you want to pay by bank transfer, you must add 10 Euros for each transfer. On receipt of your deposit we will send our confirmation letter, accommodation details if applicable, and an invoice. Only places for which deposit has been received can be guaranteed. DO NOT FORGET TO INCLUDE YOUR NAME when you write to us or transfer money, you must make sure that your name is on the form in English. If you do not send the full fees with your application, we must receive the balance 7 days prior to the course start date. Students will not be entitled to any services booked before the student pays the full fees towards the course, accommodation (if applicable), visa processing, airport transfers and any other applicable fee if any.

Bank Charges

Please Note. If a bank makes a payment, it charges a fee (bank charge). The bank charges for a transfer paid into a Maltese bank from a foreign bank can be expensive. You will have to pay these charges in addition to fees that you pay to us. You will save money if you pay the complete fees when you apply because
